

Racial and Ethnic Demographics of Zip Codes in Chicago

Figure 1–1: Majority Race/Ethnic Group by Zip Code

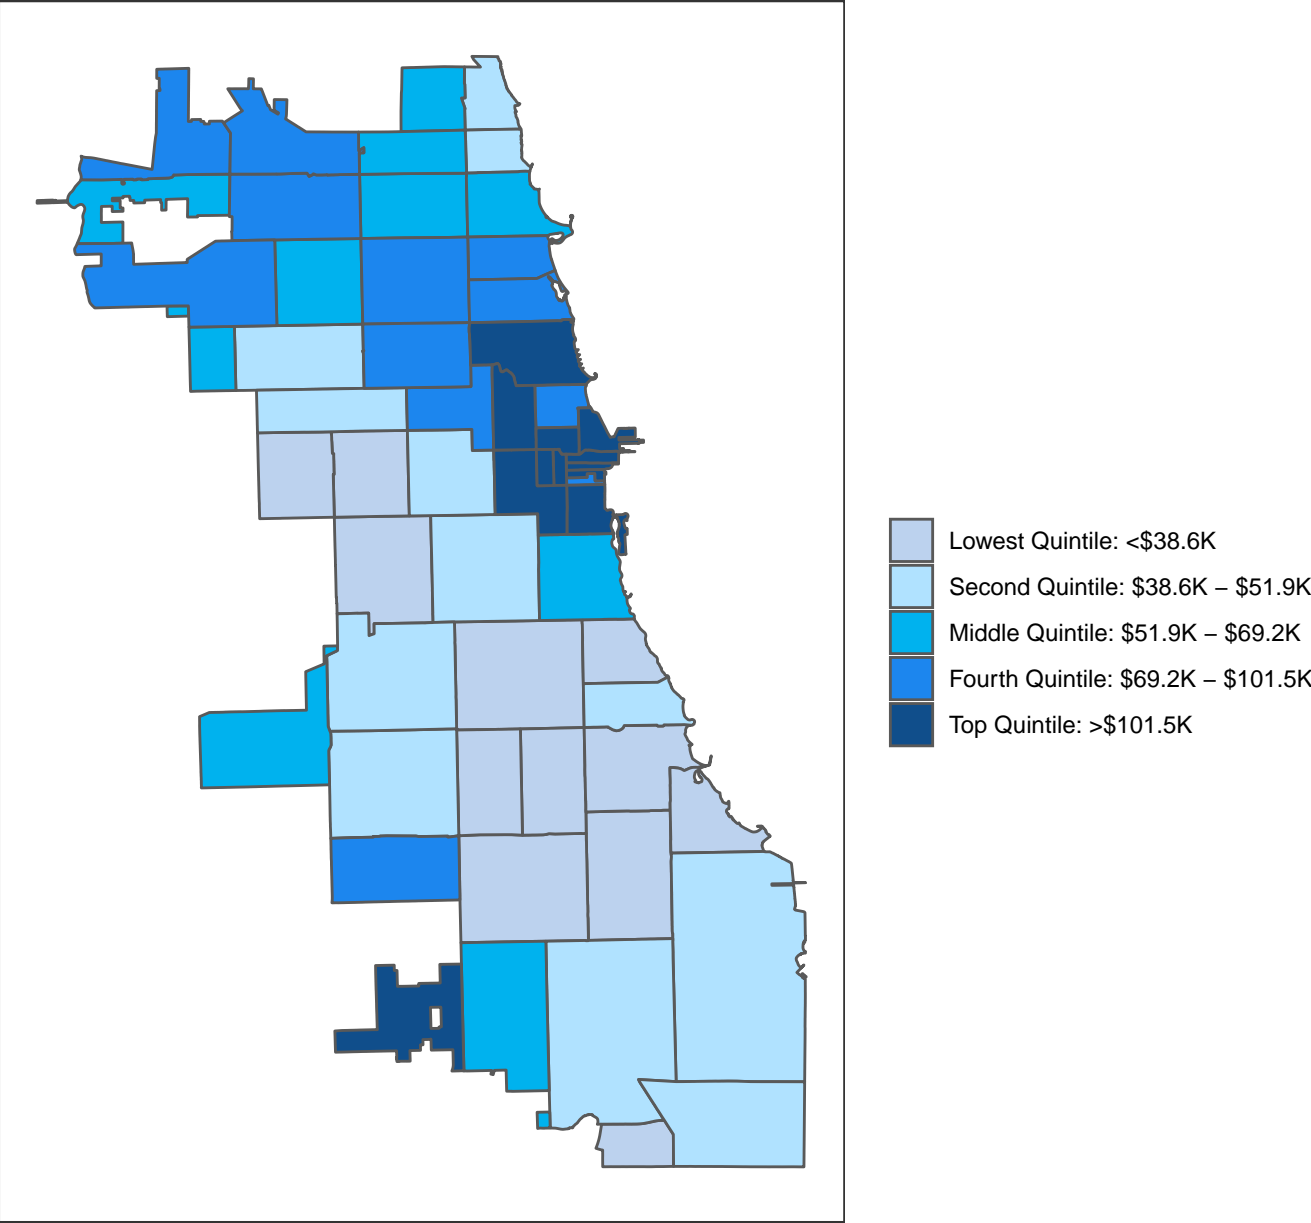

Source: City of Chicago;
U.S. Census 2019 American Community Survey: 5–Year Data;
IPUMS NHGIS, University of Minnesota, www.nhgis.org;
Author's Calculations.

Note: Since ethnicity is distinct from race, a zip code can be both majority–Hispanic as well as majority–White or majority–Black. For the purposes of this map, if a zip code's Hispanic or Latino share of the population is larger than Black or White population share, then it is shaded as majority–Hispanic or Latino.
